Dear Partners and Donors

Subject: Activation of the Higher Council

This is to convey my gratitude and compliments to you and express the importance of our strategic long-term partnership and cooperation in the TVET sector in Palestine.

As a result of the Cabinet's decision regarding activating the Higher Council of TVET and the Development Center towards improving the TVET sector in Palestine, which aims at organizing and strengthening the TVET sector. I would like to inform you that the Higher Council of TVET will be the solely responsible body for the development of the sector and to pursue coordination with international organizations, in the development program. With this regard, all related correspondence and agreements in the TVET sector should be addressed and managed by the Higher Council of TVET and its implementing bodies namely: The Executive Council and the Development Center.
The communication channel will be through the Development Center which coordinates regularly with the Executive Board and the Higher Council for TVET.
The Development Center is located at the premises of the MOEHE, Carmel Building, 2nd floor,
