The EU contributes €20 million to the PA payment of October salaries and pensions

The European Union has made a contribution of €20 million to the Palestinian Authority's (PA) October's payment of nearly 55,000 Palestinian civil servants and pensioners in the West Bank.

This contribution is funded by the European Union as part of its Direct Financial Support to the Palestinian Authority channelled through PEGASE[1].

Background

Most of the European Union assistance to the Palestinian Authority is channelled through PEGASE, the financial mechanism launched in 2008 to support the PA Reform and Development Plan and subsequent Palestinian national plans and agendas, including the ongoing National Policy Agenda "Putting Citizens First". As well as helping to meet a substantial proportion of its recurrent expenditure, European funds support major reform and development programmes in key ministries, to help prepare the PA for statehood. In the last 10 years, nearly €2.5 billion were disbursed through the PEGASE Direct Financial Support programmes. In addition, the EU has provided assistance to the Palestinian people through UNRWA and a wide range of cooperation projects.
