PALESTINE RED CRESCENT SOCIETY جمعية الهلال الأحمر الفلسطيني

13/8/2024

Dear colleagues & partners,

I am sharing our document of humanitarian diplomacy (HD) messages that is based on the challenges PRCS teams and volunteers encounter on the ground while performing their humanitarian duty in the oPT, particularly in the Gaza Strip whose population is facing a humanitarian catastrophe since the 7th of October.

This document is a tool to help us all as RCRC Movement and non-Movement actors to engage in humanitarian diplomacy for the sake of the vulnerable communities we are serving in the oPT. Our engagement with HD is not a choice but a responsibility that stems from our mandate as auxiliaries to the public authorities in the humanitarian field.

It is our duty to engage with decision makers at the national and global levels for the sake of Palestinian vulnerable communities who are in urgent need of the support of everyone. Hopefully, your action will ensure safe humanitarian access and space to enable the PRCS to respond to the humanitarian needs of the vulnerable population in the oPT, especially in the Gaza Strip.

These key messages can guide you to amplify the voices of PRCS teams and volunteers in private and public spheres. You can definitely choose the measures and channels you deem fit to help in conveying our voice while maintaining the essence of the messages.

For any inquiries, please contact our focal point for HD Ms. Erab Fuqaha via her email: erab@palestinercs.org.

Regards,

Khaled Abu Ghosh
Director General
