30 437
Patient permit applications

34% pending or denied

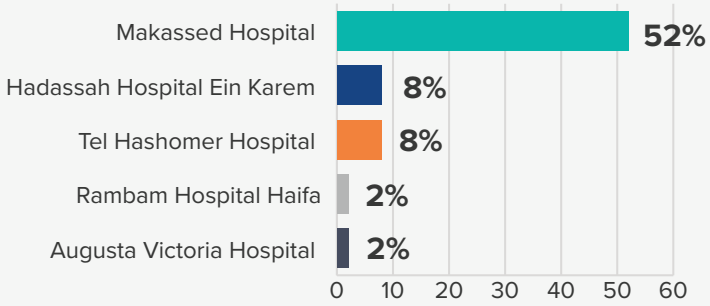

29 366
Companion permit applications

39% pending or denied

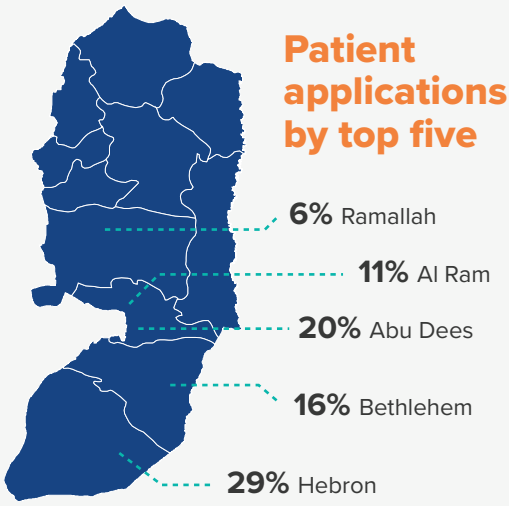

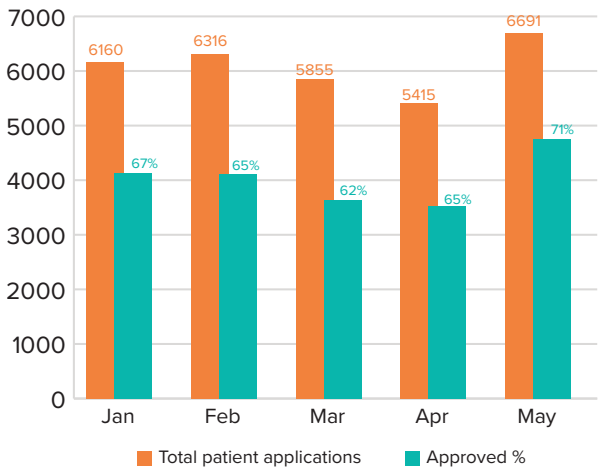

Top five receiving hospitals

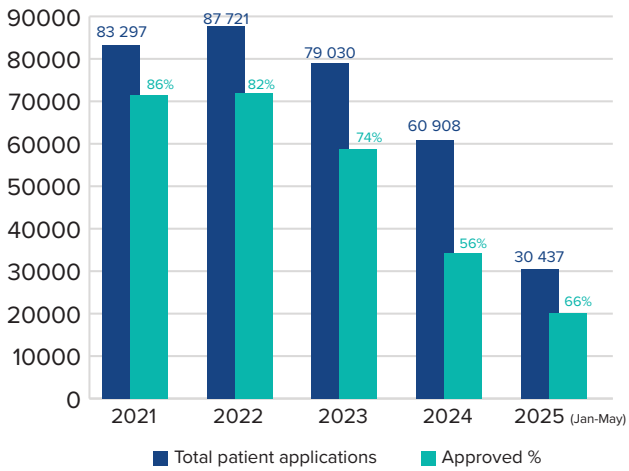

Patient applications by top five

Approval rate for patient permits by month

Avarage approval rate for patient permits by year

- Since October 2023, the overall number of patient permit requests have declined, likely due to the volatile security situation across oPt.
- In addition to the Palestinian General Authority of Civil Affairs (GACA), some hospitals in East Jerusalem are now submitting permit applications directly, though this data is currently unavailable.

According to data reported by the Palestinian General Authority of Civil Affairs (GACA)
